Club Social Media

One of the 'background' tasks in conjunction with the website re-development is to increase our social media presence. Social media, if done correctly, can be very powerful, but equally it can be very damaging if got wrong.

MSUK now require the club to have a **'Social Media Policy'** which is being worked on. In the meantime, please check out the club account links which we can use to start building up our social media presence.

It is still the intention that the home of the club has to be the website and all other forms of media are communication mechanisms.

Please note our official web address on page 1, the https://slroc.online address is temporary.

Chat From the Chair

TBD.....

Introduction

To say this last month didn't quite go as planned would be an understatement!!

Trinity Park Fireworks

After much hard work for some, this really turned into a tale of two halves. From a 'rides' point of view this was very well received and thoroughly enjoyed – doing what we do best. Of course, being November the ground conditions were slippery and the course now needs substantial work (although we've had this post Suffolk Show and Festival of Wheels before now).

Due to the 'success' of this event, we are making a further donation to the Suffolk Agricultural Association (SAA) for their charity work, as we do for the Suffolk Show.

Unfortunately, as a club, we let ourselves down badly, which has had serious implications regarding the use of Trinity Park going forwards. You should all know that when we're attending events you're always 'on display', especially with SLROC stickers, and as such we should behave accordingly, or simply behave!

To say I'm upset would also be an understatement. Years of work, relationship building and public support have been undone by the acts of some of our members. As you know, my term is due to end in March and with the behaviour exhibited from some, I am seriously thinking I can't represent the club anymore (even until March). This isn't what SLROC was all about. On the flip side, I do recognise this isn't the behaviour from the majority of our members.

It's time to step back and take stock, question what we do, looking at how we act and behave, both at Newbourne and out in public.

Children in Need Driving Day

On a more positive note, it was great to see so many members at Newbourne for our Children in Need driving day, probably with more marshals than we've ever had, perhaps largely due to multiple vehicle breakages (an occupational hazard it would seem).

The generosity of our members with the raffle, cake sales and donations allowed us to make a donation of £197 to Children in Need. Thanks to all those who contributed.

Committee & Club Update

As discussed last month, there are a number of roles that need filling. We've had several committee members performing multiple roles for too long and this is not sustainable. Further, there are members that have done their 3-year stint and it's time for others to take it over. Right now, there is not enough horsepower to keep going, we cannot continue to expect the few that are left to do everything.

As mentioned last month we have members that enjoy different things from the club;

- Those that enjoy playing @ Newbourne, on driving days
- Those that enjoy trials, be it Newbourne or Snuggs
- Those that enjoy charity shows
- Those that may not attend events regularly but enjoy being a part of a like-minded community.

Unfortunately, we had to cancel our planned meet during which we were to plan our club calendar for 2026 due to the unforeseen circumstances and the amount of time and effort being expended in addressing the matters in hand.

We cannot get to the AGM in March without a plan in place. If you think you can take a role going forwards, please do send us a message to vacancies@slroc.uk.com or speak to any of the committee.

Some of you will recall, I stepped forward at the AGM 3 years ago to 'help' given that no-one else did, and yes, I and others have questioned my sanity. The committee then, was in the same stretched state as it is now and it's not sustainable.

If, as members you want the club to continue, it needs your input!

Hopefully we'll have completed a club calendar for 2026 but we're running out of time, especially with just 4 weeks to go.....until.....do I have to say it.....Christmas!

Forthcoming Events

The final event of the year is our Mince Pie Driving Day, where we celebrate the clubs' phenomenal achievements of the year, presenting cheques to our supported charities.

Camp Over & Social – Saturday 27th December 2025
Mince Pie Driving Day – Sunday 28th December 2025

Please remember, if you are attending this event and not in a Land Rover, please use the car park prior to the signing on hut on the right.

Closing

'Times up'. I'm on the 2nd coffee and it's time for the day job. I apologise in advance if I come across somewhat grumpy in this chat (I am), it's more sadness and disappointment. That said, we have many great members that enjoy the club and have worked so hard to achieve from a charity fundraising and club point of view one of the best years for a long time.

We've hit one of those obstacles, bumps in the road but we need to come back better and stronger, and that needs you all to do so.

See you at Mince Pie Driving Day where we give away lots of money 😊.
