Club Social Media

One of the 'background' tasks in conjunction with the website re-development is to increase our social media presence. Social media, if done correctly, can be very powerful, but equally it can be very damaging if got wrong.

MSUK now require the club to have a **'Social Media Policy'** which is being worked on. In the meantime, please check out the club account links which we can use to start building up our social media presence.

It is still the intention that the home of the club has to be the website and all other forms of media are communication mechanisms.

Please note our official web address on page 1, the https://slroc.online address is temporary.

COMMITTEE CHAT

CHAT WITHOUT A CHAIR!

Committee Update

The observant among you may have noticed that "Chat from the Chair" was missing from last months Nooze. The reason for this is because the club no longer has a Chairman! Neither does it have a Secretary! Both positions became available at the last AGM, when the serving members completed their 3-year tenure. Although a member was nominated for the position of Secretary, they have recently announced this is no longer possible for them. The position of Compliance Officer is also still vacant. We are anticipating a job share for the Safeguarding role and would like to send our sincere thanks to both members for coming forward. The Treasurer is not seeking re-election so his term of office finishes at the end of November 2026. There will need to be a new Treasurer from December 2026.

This is not something that can continue!

Without volunteers to oversee the running of the club, the club cannot continue and would have to close. Please, if you can help in any way or you would like to know more about the roles, let the committee know ASAP.

The remainder of the Committee continue to do their best for all members. If there is anything the committee is not doing or if there is something you would like us to do, please let us know so that we can take this up. The club is for members, and it is for members to decide how they would like the club to run and what they would like the committee to do. As you probably already know, no-one on the committee is in a paid position, all of the committee are volunteers. The club continues to put on driving days and off-road events. These provide income to the club so please support them in any way you can. The club is always looking for marshals and C.o.C.s as well as drivers.

Membership

Membership is slightly down on this time last year so anything you can do to promote membership would be very much appreciated. Financially the club is in a reasonable state, however as the AGM indicated, the projection for 2026 is possibly a small surplus but it could be a small deficit. Rent for Newbourne is our biggest single expense but we feel that the site is an asset to the club as it provides a venue for driving days, trials and social events.

Shows

As you are aware, shows are being curtailed this year as we cannot attend the Suffolk Show and, as it stands, we will not be able to attend Festival of Wheels. It is likely that there will be some static events this year, i.e. we have a stall, seek donations and new members but are not doing off-road rides. The committee are looking at more static events, and these will be published in Nooze when the details are known. The Mid Suffolk Show and an event at Suffolk Food Hall are currently being finalised. The planned Open Day in August is now not happening, but it is likely that we will be offering off-road rides to the Scouts on 22nd or 23rd August at Newbourne.

Graham, Tony and Andrew recently visited Heveningham Hall to discuss arrangements for the forthcoming show in June. It was felt that this was essential to discuss matters including safety to ensure that any previously encountered problems were ironed out before we participated. The committee extend their thanks to those involved for their time and efforts.

Club Shop

The Club Shop is being revamped by Jade and Kai so watch out for a new range of stock. It is likely there will be a survey to find out what you would like.

Breckland Bank Holiday Event

Seven members represented the club at the Breckland interclub weekend and enjoyed their time there. A report of the event will be in the next edition of Nooze.

MSUK & Mudguards

There has been some recent discussion about mudguards and other MSUK issues. Tony C & Ralph have been looking into this and an article has been included in this months Nooze to advise members who may be interested in competing.

Maintenance Day

The recent maintenance day was poorly attended but a phenomenal amount of work was carried out by the 15 or so members who did attend. All the grass was cut, the shrubbery was trimmed back, the fences and tables were painted, and the caravans were cleaned externally amongst other work. The off-road courses were revamped with some modifications carried out. A big thank you must go to East Anglia Tool and Plant Hire / Scrivens Construction for the use of the digger and driver. The committee would also like to voice their gratitude to all the members who worked so hard for the enjoyment of others.

URGENT!

SUFFOLK LAND ROVER OWNERS CLUB

WE NEED YOU!

OUR CLUB NEEDS

A CHAIRMAN & A SECRETARY!

THIS ISN'T SOMETHING THAT CAN CONTINUE!

Without volunteers for these roles and to oversee the running of the club, Suffolk Land Rover Owners Club would have to close.

PLEASE IF YOU CAN HELP IN ANY WAY OR IF YOU WOULD LIKE TO KNOW MORE ABOUT THE ROLES THEN CONTACT THE COMMITTEE ASAP!

TOGETHER, WE CAN KEEP SUFFOLK LAND ROVER OWNERS CLUB STRONG!

POSITIONS VACANT

We are looking for volunteers to join the SLROC committee to help with the running and continuation of the club.

AVAILABLE POSITIONS

CHAIRMAN (URGENT)

Guiding & overseeing the activities in the operation of the club ensuring all members are accounted for and given the same opportunities.

SECRETARY (URGENT)

Managing administrative tasks, facilitating communication and supporting the club's leadership.

COMPLIANCE OFFICER

Ensuring adherence (in some cases strict) to the relevant regulations, including those set by the IPOD and MSUK.

For any of the above (or indeed other roles) please email **vacancies@slroc.uk.com** expressing interest.
Please note, expressing interest does not mean you have to take on the role.

MUDGUARDS & MORE

If any members are thinking about entering the club's competitions but are unsure of what is needed, we are here to help. Please note this advice does not apply to driving days. The club runs events throughout the year; these are normally trials and winch trials.

Three types of trial are held:

- TYRO trials for road vehicles, which are designed for road vehicles over non-damaging terrain, ideal for novices.
- RTV trials (Road Taxed Vehicle) for road vehicles over more arduous terrain with a small risk of vehicle damage.
- CCVT (Cross Country Vehicle Trial) for off road vehicles and special builds over demanding terrain with more risk of damage.

Winch trials for winch equipped vehicles of any type over extremely arduous terrain.

All competitions need to be run under a permit which exempts the club and competitors from the Road Traffic Act, thus avoiding claims against dangerous driving etc. The club currently use MSUK to provide this permit and pay a fee to them for every vehicle entered. Each competitor must hold a Clubmans Licence as a minimum, these can be applied for free of charge on the Motorsport UK website.

MSUK have rules and regulations to ensure that vehicles, drivers and spectators are as safe as possible. They cover every aspect of motorsport and therefore the regulations are quite complex, especially for someone building their own vehicle. We therefore advise that these regulations are studied before building or modifying a vehicle. These regulations are easily found on the Motorsport UK web site under Cross Country, but it is a bit of a minefield to negotiate from there.

All competition vehicles must be checked (scrutineered) before each event to ensure that they comply and are safe to use. Scrutineers will try their best to give advice and if your vehicle does require some work you are allowed to re-present it at the event, providing scrutineering is still open.

The club were advised by a visiting official some time ago that some vehicles were not complying with the regulations for mudguards.

The scrutineers have therefore had to make sure that vehicles comply by advising drivers of the changes needed and pointing out ways of achieving this. For any members who haven't competed for a while and are thinking of returning please make sure your vehicle complies with the following;

CHAPTER 20 CROSS COUNTRY

Appendix 10 - Technical Regulations (not Junior Trials)

General

1. Chassis

1.1. The **Vehicle** must have a minimum wheelbase of 127cm (50in).

2. Body (including Aerodynamics)

2.1. Unless rear-engined **Vehicles** must have a bonnet or metal casing of solid flame retardant material covering or surrounding the engine which is secured by fasteners of adequate strength and with a positive locking action.

2.2. Windscreens must be erected unless the **Event** takes place wholly on private property or the **Official Documents** state otherwise.

2.3. Tailgates may be removed.

2.4. Be equipped with mudguards for all **Wheels** which present no sharp edges and cover the complete **Wheel** (flange+rim+tyre) around an arc of 120 degrees. This minimum coverage must:

a. be achieved with a continuous surface of rigid material within which ventilation louvres may be fitted. The tyre must not be visible when viewed from above

b. extend forward ahead of the axle line

c. extend downward behind the **Wheel.**

The club has no option other than to comply with all MSUK regulations otherwise we risk losing our MSUK membership and the cover it gives. If anyone would like some advice, please feel free to contact our Safety Officer, Tony Chamberlain or for a more in-depth conversation speak to one of our Scrutineers at a driving day or competition. Scrutineering is normally between 9am & 10am. You could then spend some time spectating to see what goes on.

We look forward to seeing you.

moving cartoons

Josh & Jessie became acquainted with Rob Middleton whilst at Arminghall Auto Jumble and got chatting about SLROC.

Rob Middleton is a cartoonist and illustrator based in Norwich, specialising in personalised classic vehicle cartoons. Rob creates bespoke commissions for vehicle enthusiasts across the UK — capturing not just the car, but the story and personality behind it. Whether it's a birthday gift, a club memento, or simply a celebration of a much-loved vehicle, each cartoon is uniquely personal.

Rob also draws a wide range of other subjects — from wildlife and pets to people and occasions — so if you have something special in mind, he'd love to hear from you.

Rob kindly offered to create a drawing of a member's car for free !

You can see more of his work and get in touch at **https://movingcartoons.com/land-rover/** and if you have any enquiries please contact him at **rob@movingcartoons.com**

A huge thank you to Rob for his generosity and for taking the time to create this amazing cartoon and share his talent with SLROC members.

CLUB MAINTENANCE DAY

SATURDAY 16TH MAY 2026

Thank you to the FEW members that came along to help out on maintenance day, all your hard work you put in was greatly appreciated. Unfortunately this was a minimal turnout again!!

A massive thank you to **East Anglia Tool & Plant Hire Ltd** and **Scrivens Construction Ltd,** the time and effort is very much appreciated

---

There is a LOT of work involved to keep the courses running and looking after the site we are lucky enough to have. We really need more people to come along and help out, even if it is only for a couple of hours!

Please put the next maintenance day in your diaries **Saturday 19th September.** We would really appreciate it if we could have more hands to help, thank you.

Meet Vinnie – The Passenger Prince

Vinnie is a 22–month–old Bullboxer Staffy, made up of ¾ Staffordshire Bull Terrier and ¼ Boxer... which basically means he has the strength of a small tank, a breeze block for a head, the energy levels of a toddler after too many sweets, and absolutely no inside voice whatsoever!

Despite looking tough, Vinnie is a big softy and a complete mummy's boy who thinks he is the size of a chihuahua. His four main favourite things in life are:

- FOOD
- PEOPLE (PARTICULARLY CHILDREN)
- HIS BALL
- CONVINCING OTHER DOGS TO CHASE HIM AROUND AT FULL SPEED (WE SAY HE'S V8 POWERED!)

Since he was a tiny puppy, Vinnie has loved being the "Passenger Prince" in the Land Rover's. The moment the keys come out, he's ready for adventure. Whether it's a trip to the dog park, a muddy forest walk, the pet shop, or even the vets, he's first in the car and very excited!

HE HAS TWO SWORN ENEMIES IN LIFE:

THE POSTMAN | THE RAIN

If you ever see Vinnie at the club, *please feel free to come and say hello* – just be prepared for **excitable butt wiggles**, **enthusiastic greetings**, and plenty of **slobbery kisses!**

Preparations are under way for our Summer Party & we would love for you you to join us – More details to follow soon
